

# HERE COMES THE SNOW

Here comes the snow. It's fallin' down.  
It's fallin' gently upon the ground.  
Here comes the snow. It's fallin' down.  
It leaves a blanket upon the ground, ground, ground.

Snow, snow, snow, snow! Snow, snow, snow, snow!  
Snow, snow, snow, snow! Snow, snow, snow, snow!

Peacefully the flakes of white  
are falling down on us tonight.  
Stay in by the fireside  
or bundle up and go outside.

Down the road upon a sleigh,  
just having fun this winter/day.  
Down a hill upon a sled  
then snuggle in a winter bed.

Falling down, down, down, down.  
Falling down, down, down.

*repeat all*

Here comes the snow.

# I'd Rather Be Your Friend

*solo(s):*

I'd rather be your friend.

Don't want to be your enemy.

I'd rather be at peace with you,  
living in harmony.

*all:*

I'd rather not be mad.

Don't want to feel so angry.

Wouldn't you rather get along?

Then we could all be free.

Free from war, and free from hate.

This is our chance, at last!

We don't have to be what we don't want to be.

We can let go of the past, of the past.

I'd rather be your friend.

Don't want to be your enemy.

We could accept our differences,  
sharing our unity.

I'd rather be.

*solo or soli:*

I'd rather be your friend.

# Make A Difference

Ev'ryone has got a chance to make a diff'rence big or small.  
Ev'ryone can give a little for the good of one and all.  
Opportunities knock ev'ry minute. They're comin' along.  
Ev'rything that we face together helps to make us close,  
to make us strong!  
We are strong together!

*chorus:*

We can make a diff'rence! We can lend a hand!  
We can make some changes when we take a stand!  
If we put our heads together, we can find a better way!  
When we put our hearts together, we can make a diff'rence today!  
We can!

Ev'ryone has things to offer that could help so many ways.  
Ev'ryone can make an effort working toward some better days.  
Look around and you'll see lots of chances. Just look anywhere.  
All the things that we do together – giving, working, showing how we care!  
How we care together!

*repeat chorus*

We can make a diff'rence! Yes, we can!  
Today!  
yell: We can!

# Winter Wiggles

I get the wiggles in the winter.  
I get the wiggles when it's cold outside.  
I think it's thrillin', but I won't be chillin'  
'cause I can't hold this wiggling inside!

I've got the wiggles,  
the winter wiggles.  
I've got the wiggles,  
the winter wiggles.

I've got the frosty, freezy, icy, breezy wiggles.  
I've got the chilly-willy, can't-stand-stilly wiggles.

I get the wiggles in the winter.  
I get the wiggles when it's cold outside.  
I think it's thrillin', but I won't be chillin'  
'cause I can't hold this wiggling inside!

I've got the wiggles,  
the winter wiggles.  
I've got the wiggles,  
the winter wiggles.

Stop!

It starts with kindness, with kindness.  
It comes from deep inside.  
With kindness. With kindness.  
Kindness from the heart.

Are you wondering how you can help the world?

Do you wonder what you'll see? Do you wonder how to be?  
Do you wonder how it starts with you and me?

# In This World Together

Winter, fall, summer, spring, people laugh, people sing.  
We are in this world together.  
Sun and moon, night and morn, to this world, we are born.  
We are in this world together.

All of us share this planet and we have all the power we need to be  
better and better, better and better in this world.

See the world through open eyes. Touch the world with open hands.  
Hear me, sisters. Hear me, brothers. We are in this world together.

In this world, where we live, people share, people give.  
We are in this world together.  
On the road, now begun, in this world, we are one.  
We are in this world together.

All of us share this planet and we have all the power we need to be  
better and better, better and better in this world.

See the world through open eyes. Touch the world with open hands.  
Hear me, sisters. Hear me, brothers. We are in this world.

We're in this world together!  
See the world through open eyes! Touch the world with open hands!  
Hear me, sisters! Hear me, brothers!

*part 1:*

We are in this world together!  
Together!  
Together!  
Together!  
Oh,  
we are all together in  
this world!  
Together!

*part 2 (opt.):*

We are in this world!  
Ev'rybody in this world!  
Ev'rybody in this world!  
Ev'rybody in this world!  
Ev'rybody in this  
world! (We are all together in)  
This world! (this world!)  
Together! (Together!)

# Do The Good You Know

Do the good you know. Let compassion show.  
You can't save the world alone, but you can do the good you know.

We all have sorrow. We all have pain.  
Sometimes our sunshine turns into rain.  
When someone falls right next to you, then you must do what you can do.

*parts 1 & 2 (optional):*

Do the good you know. Let compassion show.  
You can't save the world alone, (but) you can do the good you know.

It makes a difference.  
This much we know.  
One act of kindness can save one soul.  
So do the thing you know is right.  
Then you will see and be the light.

*(+ audience, optional):*

Do the good you know. Let compassion show.  
You can't save the world alone, (but) you can do the good you know.

Yes, you can do the good you know.

## A Song for Grandparents Day

You spend time with me,  
You see the best in me, and you're great to be around.  
You read books to me.  
You want me to succeed, and your wisdom is profound.

How wonderful it is to know you,  
to learn from your experience.  
So, thank you, Grandma. Thank you, Grandpa.  
I'm so very glad you're in my life.  
I just had to let you know.  
Thank you, Grandma. Thank you, Grandpa.  
I'm so very glad you're in my life.  
And I love you very much.

You have fun with me,  
You take me out to eat.  
And I like when we hang out.  
You impart to me  
the worth of family, and what life is all about.

How wonderful it is to know you,  
to learn from your experience.  
So, thank you, Grandma. Thank you, Grandpa.  
I'm so very glad you're in my life.  
I just had to let you know.  
Thank you, Grandma. Thank you, Grandpa.  
I'm so very glad you're in my life.  
And I love you very much.

# One Nation

Maybe we're not the same color.  
Maybe we're not the same race.  
Maybe we don't have the same beliefs  
or live in the same kind of place.

Maybe we think we're too different.  
Maybe that's simply not true.  
Maybe I also have hopes and dreams,  
and maybe I share them with you,  
share with you, oh!

*chorus:* We are one nation, yes, we are one land!  
Together in freedom, united we stand! Oh!  
We are one nation, yes, we are one land!  
Together in freedom, united we stand! Oh.

*part 1 (part 2 echoes, optional):*  
We are a rainbow of people.  
We have our own history.  
We share a nation with common bonds,  
a nation where people are free.

We know that freedom is precious.  
We know the cost is extreme.  
We share commitment and gratitude;  
we share our American Dream,  
share our Dream, oh!

*repeat chorus twice (all)*

We are, we are, we are one nation!  
We are, we are, we are one nation!  
We are, we are, we are one nation!  
Ah! One nation!
